

**Un olor
muy apetitoso**

**A DELICIOUS
SMELL**

Por la ventana de Nuba entraba un olor delicioso a lentejas y a batido de fresa, así que decidió averiguar de donde venían esos olores tan ricos

Through out Nuba's window, a delicious smell was came in. She decided to find out where it came from.

Sus amigos le explicaron que tenían un pulverizador mágico que desprendía olores a comidas. Nuba quería probar esas comidas así que comenzó a botar su pelota saltarina y ella y Next gritaron: - SIRABÚN!

Their friends told her they have a magic spray that emitted food smells. Nuba wanted to taste them so she bounced her dancing ball and she and Next shouted: - SIRABÚN!

Llegaron a un pueblo donde estaban celebrando una fiesta y preparaban una paella. Nuba preguntó a unos niños qué era la paella pero no le contestaron

They arrived in a town where there was a celebration and they were cooking paella. Nuba asked some kids what paella was, but they didn't answer her.

Al rato volvió a ver a los niños y le dijeron que la paella era una comida, que fuera con ellos porque ya estaba preparada

Nuba saw the children again who told her that paella was a meal. They invited her and Next to go with them.

En la plaza había una gran paella que olía genial,. Era el olor de la comida que Nuba quería probar.

In the square there was an enormous paella that smells good. That it was the food smell that Nuba wanted to taste.
