

A SECRET IN THE MIRROR

Aris was taking a picture of an old typewriter when suddenly... tac-tac-tac-tac
The typewriter was working. Aris read the paper..

MAETS HTIW YRT

It's a riddle! We need to solve it. She took her magic book and... SIRABUN!

Good morning! I'm teacher Clock and I'm inventor said the man with the big moustache

Great, can you help us? Said Aris.

She showed him the paper. We need to solve this riddle!

«MAETS HTIW YRT.»

Read the teacher. I don't understand. We need help.

Suddenly the factory was full of men with enormous moustaches debating about the riddle.

While everybody was thinking, Next got an idea. He put the paper in front of the mirror. In this way, he could read it...

TRY WITH STEAM

Try with steam! This is the riddle!
Obviously steam!! Said Clock jumping.

Clock installed the engine in his steam train.

We've finished the steam train! Are you ready? Let's go!!
Said Clock.

"Choo-choo-choo" everyone went out in the steam machine
with white smoke.
